ROCKY MOUNTAIN REGION PORSCHE CLUB OF AMERICA
46TH ANNIVERSARY YEAR

PRESIDENT'S MESSAGE

Every once in a while I hear comments about how it seems that the same people are always on the Board. Sometimes it seems like that to me too. I have been on the Board for 5 years and will be for at least one more. It has been suggested that I describe the nomination process for Club officers and provide some insight into what is required.

RMR is governed by a Constitution and By-Laws. These provide details on how the Board is to be structured. There are prescribed positions of President, 1st Vice President, 2nd Vice-President, Treasurer, Secretary, Newsletter Editor, Membership Chairman, and Past President. All terms are limited to 2 years with the exception of Newsletter Editor and Membership Chairman. The President appoints people to chair a number of committees that report to the board and aid tremendously in the running of the club.

Each year a Nominating committee is appointed by the Board to select potential candidates for the following year. The Nominating committee is comprised of the President, the immediate Past President and one or more other active members. We have traditionally appointed two members who are not presently on the Board. The nominating committee reports their suggested candidates at the October membership meeting and announces them in the October Newsletter. Additional nominations may be made at the November membership meeting. If there are no additional nominations, a motion will be made to confirm the election of the nominated candidates at the November meeting and no further election is required. The candidates are then installed at the December annual meeting which is our December holiday party. If additional nominations are

received at the November meeting, an election is held and ballots are distributed at least 14 days before the annual meeting. An election committee is formed and ballots must be received two days before the annual meeting. The committee reports the results of the election at the annual meeting.

Candidates for Board positions must be able to attend Board meetings once a month and be available, within reason, to respond to matters concerning the Club at other times. Candidates must have been involved with the Club's activities for a sufficient time to know what we do and, perhaps more importantly, what we have done and why. Involvement and attendance at Club meetings and events is vital. Positions such as Newsletter Editor and Treasurer also require expertise in the area of their responsibilities. We try to make the Board representative of the membership and welcome "new blood." This year David Speights has been new in the position as Secretary and he has been a very valuable Board member. During my tenure on the Board I have begun to appreciate the benefits of continuity and length

of service. It is vital to have someone who remembers what we have to do each year and what we did in the past when confronted with a recurring issue. One of the reasons I am only going to serve as your President for one year is to facilitate the addition of new members and expedite the progression of the Vice Presidents.

It has become traditional to ask Board members if they want to become part of the progression through the Vice President positions and serve as President. This can take from 4-6 years. During this time people in those positions are responsible for overseeing the organization of events, dealing with the national organization on issues of insurance and rule changes, and keeping an eye on the financial health and goals of the region.

We have many standing committees which are a great place to start to be more involved and to develop experience in what the Club needs to do to put on events and continue to function. Also, being an event chair person or assisting at the event are great ways to learn what goes on and to show the involvement, commitment and experience the Nominating Committee looks for in potential candidates for Board positions.

This is a totally volunteer organization and there is lots of room for anyone who wants to help. If you or someone you know are interested in serving on the board, or helping in another capacity, contact me by phone or email or call Kathy Fricke 303-499-6540. I hope to see you at our next events.

MEMBERSHIP MESSAGES

Welcome to new and returning members! I can hardly believe how fast the summer is going by - I've barely got the new tires on my car! All the new members should plan to try at least one event this summer - whether it be a track event, tour or autocross, or even just attend a membership meeting. If you've never done an event before and aren't sure how to sign up, what to bring, what to do when you get there, call the event chair, registrar or any board member - we'd like to see you out there! Feel free to call me at (303)554-7464 or email tcash@healthaxis.com with any questions, problems, or suggestions. **Tamela**

UPCOMING EVENTS

Thursday

July 1

Membership Meeting

The meeting will be at the Doubletree Hotel, 8773 Yates Dr. in Westminster. Social hour at 6:30, followed at 7:30 by a brief meeting and program.

The program will feature Robert Prilika, who will talk about his racing career. Based in Denver, Robert has raced successfully since 1984 in various forms of racing and a variety of race courses. Robert has earned championships in NASCAR and Grand American Road Racing series. He has race victories at some of the most demanding tracks in country like Daytona and Watkins Glen. The success of last year's championship season driving for G & W Motorsports in the SRP II class has led Robert to set a new goal and class this year driving a Porsche GT3R in the Grand Am GT class. Previous to Robert's success in the Grand Am, Robert had competed in Indy cars driving in the US Speedway Series earning many podium finishes and a rookie of the year award.. Robert has also had some of the worlds best drivers as team mates such as Price Cobb, Davy Jones, Boris Said, Geoff Bodine. Robert has experience in NASCAR Late models , Craftsman Truck Series, American Le Mans Series, Indy Racing League and has been a drivers coach for Denver's own IRL Co-Champion Buzz Calkins, Rick Carelli, and Roberto Guerrero.

The Rest of the West

Mark your calendars for the Bucknam's "Rest of the West" tour Friday-Sunday July 16-18. We will start off in Glenwood Springs on the morning of Friday the 16th and return to Grand Junction on Sunday the 18th. More hysterical/historical folklore, geology, trivia, and regional information will be scattered throughout the route instructions. Bring a navigator and join us for this 3 day event! Registration will be limited to the first 20 cars (Porsches only!) to get their information to me after April 1st. This tour traditionally fills up fast, so don't delay!

Send registration form and \$30 to Susan Bucknam, 420 Cody Drive, Lakewood, CO 80226 or e-mail to portia@ipa.net. Questions ??? call 303-237-3140.

Gmund West

Guten Tag, meine Porsche Freunde,

On Sunday, July 25th be sure to set your clocks early to attend the fourth annual Gmund West event held at George and Sharon Maybees', 12369 Levi Circle - Henderson, CO. Registration, continental breakfast and placement of cars and tractors for the concours will begin at 7:00 am. At 8:00 am the swap meet opens and at 8:30 judging of cars, Helmut Fricker begins his German music in the biergarten and the competition of the Schlepper-cross will begin.

There will be plenty of room for all the judged Porsches to park on and around the lawns this year. The tractors will have a special place around the Gmund building. We will have a special surprise for front and center of the Gmund setting. So get registered early - it doesn't matter if your car is in concour condition, a race car or an everyday driver come out and join the fun.

Our major sponsors this year are Porsche Cars North America and Prestige Imports,

who will assist with the wonderful Gosar Natural Brats provided by Porsche member Greg Gosar for the noon luncheon and awards presentation. Two new features will be a new Biergarten and the 356 Registry Goodie Store. Representatives from PCNA, Porsche AG, Officers and Trustees of the 356 Registry, Inc. and management of local Porsche dealers will be on hand to visit with you.

For information contact Sharon Maybee at semaybee@aol.com. To register for the Concour, contact Susan Bucknam at portia.ipa.net.

Vielen Dank bis zum naechsten Jahr!

CALLING ALL CLUB MEMBERS...

Calling all club members.....

It is time again this year to help your fellow club members by volunteering at the ONLY National Club Race held in Colorado.

Rocky Mountain Region is proud to present the 13th annual "First Ever Anywhere" Club Race held at Pueblo Motorsports Park on September 11th and 12th.

We need help this year (ok every year) due to a conflicting schedule with the Vintage club.

It takes many Porsche enthusiasts and volunteers to make a Club Race successful. If you would like to get involved, please volunteer for a day or more. Lunch and lodging is provided for Corner Workers, Start, Pit & Grid, and Hot Pit Workers. If you work on Saturday then Friday night is paid for, if you work on Sunday then Saturday night is paid for, if you work Saturday and Sunday.... Well you get the drift.....

Come down for the Drivers' Education

event on Friday and stay to help out for the weekend. Where else are you going to see so many fabulous cars and people in one spot enjoying what we all do so much.

If you desire to room with someone other than another corner worker (or no one) you will need to make your own hotel arrangements and the club will reimburse you up to what it would have cost for an RMR shared room.

The volunteer form can be found on the web at [HTTP://www.pca.org/rmr](http://www.pca.org/rmr), click on the Club Racing link, or you can contact our corner worker chair directly and he can get all your vitals: Richard Martin 303-779-1492.

We need all the help we can get this year so please volunteer early and get all your friends to volunteer also. For any questions you can call Richard Martin or the Club race chairs, Jeff & Tricia Mitchell @ 303-463-7668. jm.home@comcast.net

FUTURE DRIVING INSTRUCTORS

Would you like to become an RMR driving instructor? If you are interested and will be qualified within the next year, we will be happy to give you some advance training and facilitate the process for you. For more information, go to www.pca.org/rmr and click on Drivers' Education then Driving Instructor Requirements or contact David Rossiter at 303-333-4223.

AN EVENING WITH AUDI STARS AND CARS

Audi R8 and RS6 drivers JJ Lehto and Marco Werner will be at an Open House sponsored by Prestige Imports the evening of Tuesday, July 27th, from 5:30 until 8:00 PM. The drivers will be signing autographs, and the cars will be on display. Also, earlier in the day, they'll be out at Second Creek for a fund raiser for the new track. They'll drive you and your car several laps around Second Creek (for a \$100.00 donation to the track fund). Log on to www.prestigeimports.net for further details as we get closer to the date.

Ready for a Lap on the Wild Side

(Continued from Page 7) suggestions will be provided, depart at your leisure or as a group for a coordinated departure and tour.

For those staying Sunday night, opportunities to explore the Rapid City, SD area and dine Sunday night at a restaurant of your choice.

**NOTE: This time of year is exceptionally

busy in the Black Hills. We will be unable to stay all together. We need to split into 3 to 5 car groups to negotiate these 2-lane roads. We will also give some flexibility to individuals who wish to remain in certain areas longer (Spearfish Canyon or Deadwood, for example).

Friday September 10 Club Race DE

Here's an early reminder of the Drivers' Education day before the September Club Race. This year, we don't have to worry about black cats and Friday the Thirteenth stuff. Rick Goncalves and Michael Martin will be organizing the event this year. Look in future newsletters for more information. Be sure to sign up for this event where you can share the track with some of the the National Club Racers. Who knows, some of their racing enthusiasm might rub off and you might find yourself taking the plunge into racing sometime in the future. Due to a shortage of instructors, we do ask that anyone interested in signing up for drivers' education on this day have had completed at least one other drivers' education weekend prior to this one.

Watch for more information, sign up and stay the entire weekend, volunteer to work the club race, and be a part of the action!!

Sunday September 19 West Slope Tour

Take a lovely late summer tour with our West Slope members on Sunday, September 19th. These tours have, in the past, taken us through some of the most spectacular scenery in the area. This is a Challenge Series Event worth 1 point. More information and details to follow. Contact Allen Johnsen at 970-243-5091 with questions.

Please note: The date of the tour may change to the following weekend, September 26.

21 YEARS AND COUNTING

21ST ANNUAL EXOTIC SPORTS CAR SHOW AND CONCOURS D'ELEGANCE MOST SUCCESSFUL

By: Lynn Scott

It's rather hard to believe that this special event has been such a success for all these years: 21!!! The gate receipts are getting bigger each year so it's plain to see that the public is really becoming more aware of what a fine show this is and they surely don't want to miss it.

This year's car show was spectacular thanks to all of you who brought your fine automobiles out for another wonderful day under the sun. It was a little warm this year --- but no rain, hail, wind, or tornadoes, and for your efforts you are owed a great debt of gratitude. The Children's Program of Cerebral Palsy of Colorado is the beneficiary of our dedication and, because they can't always be there to say it, --- THANK YOU to each and every one of you. That's saying a lot of "thank you's", as there were over 260 cars this year which, and as you know, represents hours and hours of preparation.

The 2004 Car Show raised over \$ 47,000 gross, and \$ 38,000 net for the children's program. Let us never forget that we are giving back to the community what has been so generously bestowed upon each of us. We should all be very pleased that we were able to contribute so much for these very special children. What could be more worthy than spending time outside on a beautiful day, appreciating fine automobiles

of every year and type, and commensurating with friends of like minds, all the while helping those little ones? Well - not much! So please don't get tired of the applause - you deserve it!

The Car Show Committee always works very hard to have things run as smoothly as possible. This year was no exception. The new Chairs were Jim and Debbie Walters and they did a fabulous job. Thanks to both of you for a job well done. Along with Deb and Jim, the committee is comprised of 11 various local car club representatives and three staff members of CP of Colorado, in particular, Sandy Mariani - a special, special thank you. You made everyone on the committee appreciate you so much for all your hard work and tremendous skills. The committee members are: Chairpersons, Jim and Debbie Walters, again a wonderful job; Corporate Sponsorship was comprised of Phil Doty, Bob Lewis and Mike Norris who through their fine efforts raised \$ 23,420, Jerry and Mary Ellen Hoffman who did a tremendous job setting up the site, which is always a difficult job, and organized the food services - good job you two; Stim Kennedy who was responsible for the great array of cars for the Special Interest Display, the "Founder's Favorites," which are always a crowd pleaser; and to Tom Scott for his concern for this special event and his ever-watchful eye over everything including scoring and awards. Again this

year, Rex Lindgren provided the sound system and manned the mike for announcements throughout the day. And a special thanks to Jim Everson, Andy Forberg and the RMR Board of Directors for their support.

Believe me, this show could not go on without all of the special and hard working volunteers to include the 62 RMR entrants, the many RMR volunteers, and especially the RMR judges, without whom this event could not function. And speaking of judges - you all deserve a special hand because first of all you all look so "professional" in your white coats - but also because this year it was particularly hot. You did the judging in record time and it was greatly appreciated. It is because of all of the fine volunteers and because of YOU and your fine automobile that draws the crowds that makes this event as special as it is and has been for the past 21 years. So A VERY, VERY HEARTFELT THANK YOU TO EVERYONE WHO CONTRIBUTED TO THE SUCCESS OF THIS VERY SPECIAL EVENT!

Congratulations to all of the entrants because just contributing your time and effort makes every one of you a winner.

The Porsche Owner's and Judges' choice for their favorite Porsche was Dave Petitti with his 1993 968 Coupe. Congratulations!

WINTER - SPRING - SUMMER - FALL RALLY

The Spring Rally started out in Castle Rock on what looked like a beautiful day. Little did the teams know what was in store for them. First, there was nice top down driving. Then one group of check point workers got lost. (Now we know why they worked instead of driving the rally.) After lunch the rally continued into a driving blizzard. Who remembered to bring their snow tires? The signs were covered with snow. And, trying to drive the called for speed became impossible. Most everyone eventually found their way to Parker and a chance to warm up with some food and spirits.

Because of problems with the weather and some of the check points, it was decided not to score the rally and to award all of the participants and workers one challenge series participation point. Thanks, to all whole helped set up the rally and those who endured it.
